## AGREEMENTS BULGARIA MEETING

During this meeting, the partners presented their materials (curriculum, units, etc.) and also discussed

the procedures to create the final questionnaires according to the following standards:

- 5 questions per unit , up to a total of 15 questions per course.
- To allow up to a total of three attempts per question.
- To create all the questionnaires directly on Moodle so that the results are generated automatically

The data base also presented to the partners and all of them agreed to post information relevant for adult education on the data base during the project duration.

Finally they agreed to have all the courses ready by the end of June 2016.
